ALLOWANCE

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 5/14/2010 has been entered.

Terminal Disclaimer

The terminal disclaimer filed on 11/26/07 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of applications 10750702 (patent:7385985), 10751129 (patent:7698412), 10750922 (abandoned) has been reviewed and is accepted. The terminal disclaimers have been recorded.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Claims 1, 2, 4 - 6, 8 - 10, 12 are pending. Canceled claims are claims 3, 7, 11.

Claims 1, 2 are allowed based on the following:

The prior art of record considered individually or in combination, fails to fairly show or suggest *the traffic shaper regulates output bandwidth of the MAC postprocessor using a token bucket algorithm in conjunction with one or more buckets each associated with a respective one of a plurality of flow classes, and wherein tokens allotted to each bucket for each one of said flow classes*, in addition to the other limitations in the specific manner as recited in claims **1, 2, 4 - 6, 8 - 10, 12**. .

Claims **4 - 6, 8 - 10, 12** are allowed due to allowed base claim **2**.

So as indicated by the above statements, Applicant's arguments have been considered persuasive, in light of the set of claims with limitations as well as the enabling portions of the specification. The dependent claims further limit the independent claims and are considered allowable on the same basis as the independent claims as well as for the further limitations set forth.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
